WASHINGTON REALTORS® SPRING SYMPOSIUM EVENT SPONSOR

WHO IS NORTHWEST MULTIPLE LISTING SERVICE?

NWMLS is a not-for-profit, member-owned organization of over 30,000 real estate professionals, governed by our elected Board of Directors. NWMLS provides superior products and applications to simplify your real estate transactions, including online electronic forms and document storage, an electronic signature service, the Matrix MLS database, and the Realist property records database with tax information for every county in Washington State.

MATRIX MLS DATABASE

Matrix supplies advanced searching technology to access the newest and most accurate listing data.

ELECTRONIC FORMS

TransactionDesk automates the preparation of legal forms for real estate transactions.

PROPERTY RECORDS DATABASE

Realist is a powerful all-in-one parcel map and search screen that is integrated with Matrix listing data, and covers all of WA.

MOBILE OPTIONS

The Homesnap and HomeSpotter mobile apps help you manage clients, properties, and daily workflow on the go.

SHOWINGTIME

Empowering you to schedule and manage showings, on the go, 24/7!

ELECTRONIC SIGNATURE SERVICE

Authentisign streamlines document signing with convenience & efficiency.
