

STEVEN BURROWS

Environmental Science Major at UW Bothell

GENDER Male

AGE 22

LOCATION Everett

OCCUPATION PT Frozen Yogurt Cashier

RACE Latinx

GAMER LEVEL Very Experienced

BIOGRAPHY

Steven is a hard-working college student at the University of Washington Bothell studying environmental science. He works as a part-time frozen yogurt cashier at Menchie's. He deeply cares about the environment and wants to help save the planet by reversing climate change. He loves to play video games and board games. He is a transfer student and is new to the campus so he is looking to make new friends and possibly meet a girl.

MOTIVATIONS

- Wants to graduate with good grades
- Get a good job
- Save the planet and reverse climate change
- Meeting girls and making new friends

FRUSTRATIONS

- Doesn't have a lot of time to be social
- Doesn't know a lot of people at school
- Hates that he sits all day during class and while studying and wants to get more exercise

CHARACTERISTICS

- Always exhausted
- Always on a time crunch
- A Little stressed out
- Likes to relax and play games when time permits

LASER TAG APP MUST HAVES

- Must provide some sort of social interaction that will allow him to meet new people
- Must be fun and provide some stress relief
- Must have enough players participating to be fun
- His favorite color is blue so he requires that there be a blue team

"I am constantly working and studying. I get stressed out and use games as an outlet. I would love to have a game that made me more social and helped me meet other students at UW Bothell."
